Solution

We are combining fashion with the weather! Making your life easier by telling you what to expect to wear rather than assuming.

We are also a platform for clothing brands.

Our Market

Competitors

Pinterest

Only allows images of clothes

IOS Weather App

Only on iPhones have this app and only tells the temperature

Weather Channel

Only on the Television and only tells the temperature

The Ask

01

We are asking for your partnership, your advice and mentorship to guide us through this journey.

02

We are asking for \$200,000 which goes towards the cost of everything from software and algorithm to marketing and advertising.

03

In return, we will give you 20% equity in our company

Thanks
